## Appointments and Cancellations

When we make your appointment, we are striving to reserve a room for your particular needs. We ask that if you must change an appointment, please provide us at least **two business days**. This courtesy makes it possible to give your reserved room to another patient who would need it.

There is a charge of **\$50.00** for not showing up for scheduled appointments. Repeated cancellations or missing appointments will result in loss of future appointment privileges.

We value your time and loyalty to be part of CVD family. When your appointment is reserved for you, your records are prepared, and special instruments are readied for your visit.

By signing this consent, you've acknowledged and agreed to the terms above and understand that you will be charged if your appointment is cancelled **without two business days notice and/or missing appointment**.
